

YOUNG DANCERS AT CONFIDANCE EXCITED TO TRY ON THEIR NEW COSTUMES THANKS TO BRISTOL CURRY CLUB

THE IMPACT

The Bristol Curry Club has donated £500 to ConfIDANCE to supply young dancers with new costumes and props for their dance shows.

"[the donation] has rocketed the Children and Young People's confidence- Thank you!"

THE STORY

At the heart of ConfIDANCE there is a passion for sharing the joy of dance and performance with those who might not get the chance to pursue it otherwise. In running free dance workshops for children that come from all across Bristol, the group contributes towards building the confidence of the young dancers, as well as inspiring them to keep active and achieve their goals. Through AskingBristol, ConfIDANCE was connected with the Bristol Curry Club, who have donated a portion of the money raised from their British Curry Day Campaign to the group. The new costumes and props that ConfIDANCE were able to buy with the donation have encouraged the children to keep dancing and has enabled them to make the most out of their dance shows.

"ConfIDANCE and all dancers involved in the project were delighted to be supported by the kind donation from the Curry Club Fundraiser. This has allowed us to buy new costumes and props to use in performances which has greatly improved the quality of the shows we can display and in turn has rocketed the Children and Young People's confidence- Thank you!"

– Amy Boucher, ConfIDANCE

"In the communities we live and serve we see the need to enable more activity in those communities. We are proud that the money we raised was able to go toward such a cause."

– Rajastan Royal, contributor to the Bristol Curry Club's fundraiser
